

# Thanksgiving Challenges

**How to Play:** Print and cut apart the cards. Divide the group into two teams. Provide each team with pencil and paper. Follow the directions for the Thanksgiving Challenges on the 7 cards. The team that wins the most challenges is the overall winner!

Your team has 30 seconds to memorize the list of words. After 30 seconds write down as many as you can remember. Team who remembers the most items wins!

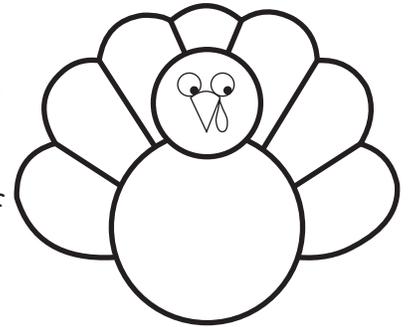

turkey	pilgrim	Mayflower
corn	feast	settlers
Native Americans	parade	tradition
leftovers	acorns	apple pie
pumpkins	squash	football

Pick one team member. Start a stopwatch. Which team can say this tongue twister the fastest three times without any errors?

“Peter Pumpkin picked ten tan turkeys to take to the table.”

Make sure you have equal teams. On “GO” player #1 draws the turkey below. Pass the paper to

player #2 and he/she draws the turkey. Continue until every team member has drawn the turkey on the same piece of paper. First team done is the winner!

## Food Feast

Each team has one minute to list as many traditional foods as you can that are eaten on Thanksgiving day. Team with the longest list is the winner!

## T thankful

Each team has one minute to list as many things that you are thankful for that start with the letter ‘T’. Team with the longest list is the winner!

## American Indian Relay Race

One at a time, each team member must circle around the dinner table doing an American Indian dance. First team to have each member dance around the table is the winner!

Your team has 3 minutes to write as many words as possible out of the letters in Thanksgiving. They must be at least 3 letter words. Team with the most words is the winner.
